The conference titled 12 th International Conference on Contemporary Engineering and Technology 2024 in Engineering provides a platform for discussions on various technical topics related to engineering as well as science and technology. This is a conference of international significance. The proceedings represent scholarly work of advanced and innovative thinkers and educators from around the world. It is felt that it is only through the exchange of information that one can hope to keep up with the rapidly changing world around us. I wish all the delegates, a great educational and informative experience at the conference. My best wishes to the organizers of the conference
